

NATIONAL & PERSONAL CRISIS

Country Bible Church

Pastor Mike Smith

October 13, 2024

Everyone in America knows that our nation is in crisis, but we are not by ourselves; the entire world is in crisis as well.

Corruption has spread like cancer throughout our country destroying everything it touches, including every bit of our government.

Organizations that have all the levers of power in our country, use their power to ignore our Constitution and to destroy our Beloved Country, including: the media, Woke TV stations, the Democratic Party, big tech, government schools and universities, the swamp (bureaucrats), Holly Wood, Corporations, the Justice Department and the F.B.I., the Secret Service, sanctuary cities and sanctuary states, woke Democrat judges who throw the book at conservatives but let illegal aliens and democrats go free.

The leaders of these organizations think they will be in charge if the Vice President wins the election. Little do they know that they answer to the One who controls the entire universe.

This sad state of affairs didn't just happen, the insidious plot to destroy our nation has been going on for decades while Americans slowly but surely accepted the incremental destruction of our freedoms. We have finally reached critical mass where our only hope is in the Lord!

This always happens when pastors are not doing their job of teaching the truth of the Word of God to their flocks. Spiritual apostasy always precedes national degeneration when pastor-teachers tickle ears rather than teach Bible doctrine. This always

causes a departure from divine laws and institutions which results in self-destruction.

The Bible shows us that in the last days there will be Global tyranny that will be over the entire world. We are very close for that to take place in our lifetime.

Daniel 7:23 "Thus he said: 'The fourth beast will be a fourth kingdom on the earth, which will be different from all the other kingdoms, and it will devour the whole earth and tread it down and crush it.'

Our government is doing its best to bring in Global tyranny. In the last part of September of 2024, the UN had a meeting of many nations to propose to them the need for nations to turn over their sovereignty to the UN when there is worldwide emergency.

140 nations agreed to this and signed on. President Biden signed on to this knowing that it was unconstitutional.

It is treated as a Treaty in the **U.S. Constitution - Article 2, Section 2, paragraph 2**

"He (the president) shall have the Power, by and with the Advice and consent of the Senate, to make treaties, provided two thirds of the Senators present concur..."

So, to bypass the Constitution, they called it something other than a treaty, such as a pact, agreement, accord, or a deal. The media have said very little about this because if the people knew what they did, they would be livid.

So, when the head of the UN says that there is a worldwide emergency, they will be able to go into the 140 nations and do whatever they want.

John Karry, in a foreign country recently said openly that we must change the 1st Amendment, especially the freedom of speech to fight disinformation. He said we must win the election in order to go forward with our global initiative.

Hillary Clinton said social media companies need to moderate content or we will lose total control.

Hillary called for Section 230 of the Communication Act to be repealed. This can be used to allow people to sue social media platforms when they cancel people for posting something with which they don't agree.

It is very important for us to realize that we are not resisting flesh and blood when we stand strong for truth and righteousness.

Ephesians 6:10-12 Finally, be strong in the Lord, and in the strength of His might. 11) Put on the full armor of God, that you may be able to stand firm against the schemes of the devil. 12) For our struggle is not against flesh and blood, but against the rulers (ἀρχή - the highest demon rulers - Abaddon, Apoyllon, Beelzebuel), against the powers (exousia – demon commissioned officers), against the world forces (κοσμοκράτωρ – world ruler) of this darkness, against the spiritual forces of evil (rank and file fallen angels) – of wickedness in the heavenly places.

The leaders on the Left in our nation and those of other nations that are against our country are used by powerful demon authorities to do the will of Satan. And we must remember that Satan can only do what God allows him to do.

We will deal with other subject material in our studies such as:

“Preparations for Disaster”

“Living Grace”

“Divine Guidance”

We will now go to **2 Kings Chapter 18:1**
